# MY ADVANCE CARE PLAN

If you have had a chance to think about the care you want towards the end of your life, you may want to write your thoughts down. Use this plan to write down what you want health professionals, friends and family/whanau to know if you could no longer tell them yourself.

This plan is **for you** and **about you**. Complete as much as you want. Add to it as often as you like and change your decisions at any time.

There is a section on medical treatments which is important to discuss with your doctor if possible, before you complete it.

You can show it to anyone involved in your healthcare. Please take it to your doctors or nurses to discuss it and then you can both have copies. It can be forwarded through your doctor to others who may need it, with your consent.
